Fouls and Misconduct Review for U14 and Older

INSTRUCTOR NOTE: In the PowerPoint presentation that accompanies this Lesson Plan there is content that makes reference to customer service. For referees, discussing “customer service” usually takes the form of reminding referees of their role as “ambassadors” within their local AYSO program. Please be sure to incorporate a brief discussion of this topic into your presentation, in a manner appropriate to the topic of the workshop.

SPECIAL INSTRUCTOR NOTE: This workshop includes information within the Notes section for each slide. The information includes guidance and tips to help you engage the students. Be sure to read the notes to help you prepare before you present this topic as you must be mindful of the time and content objectives to ensure that the presentation is completed on schedule.

1. DESCRIPTION

This workshop is designed to provide a review of Law 12 with an **emphasis on the Misconduct (Cautions and Send-offs) content**. The slides with information related to Misconduct have the priority as misconduct shows up more often in U-142 and older games.

2. GOALS

The goals for this workshop are:

- Explain and briefly discuss Direct Free Kick Offences
- Explain and briefly discuss Indirect Free Kick Offences
- Explain and discuss Cautionable Offences
- Explain and discuss Send-off Offences

3. PREREQUISITES

There are no prerequisites for this workshop and all referees can attend.

However, it is highly recommended that the participants have at least a couple of years of refereeing experience so they can effectively participate in the discussion and explanation of content which is focused on misconduct.

Referees with little or no experience can participate in the “Fouls and Misconduct Review for U12 and Younger” as this workshop provides content with an emphasis on Direct Free Kicks and Indirect Free Kicks since misconduct is rare in U12 (and younger) games.
