

8/10/15

I moved to Lake Oswego High School for personal reasons, I didn't have a problem with anyone or anything at Oregon City High School, I was going through a hard part in my life and I didn't want my friends and the people I've grown up with to see me like that so I felt like being on my own for a little was the best thing for me. After spending a couple months at Lake Oswego I was able to take the time I needed off to get over all the hardships I was currently going through and become the better person that I am today. Then I realized how much I missed my friends, the kids I've been going to school and playing sports with since Kindergarten. I didn't wanna spend my senior year of high school with a bunch of people I didn't even know. So I decided that I wanted to finish my last year of high school and graduate with all my friends and play my last year of football with the people who mean the most to me. I didn't feel welcomed at Lake Oswego High School, I wasn't having a good time in school and I didn't want to be there. I feel that I owe it to Oregon City High School to come back and give them everything I have because that's what I wanna do and that's where I'm gonna feel most comfortable.
