To whom it may concern:

This letter is in regard to Shunt C. De Lira, currently an 11th grade student at Wilsonville High School. Shunt has been living in Wilsonville with his mother (Rowena Constantino) since our divorce about two years ago. Rowena has legal custody, however has requested that Shunt and his sister live in Creswell with me for the next 1 or 2 years. The kids consider me their father even tho I am only their former step father. Attempting to be closer to her employment and save enough money for a down payment on a home, Rowena relocated to 1742 NE 46th Ave in Portland on August 1st. She rented a room in a private residence and placed her furniture and other belongings into storage. At this time she has no room for Shunt and his sister (Weiz De Lira) leaving them in my custody. I will be registering Shunt into Creswell High School when registration opens on August 17th, and his sister into the middle school. A letter of "Intent To Transfer" from Wilsonville High School to Creswell High School was submitted to the Creswell High School office on August 10th.

Shunt wishes to participate in the Creswell soccer and other sports program. I am requesting an exemption from any rule prohibiting him from participating while not physically living with his legal parent or guardian.

Thank you,
