RE: Avery Joseph, Jr.

To Whom It May Concern,

This letter is written to confirm that in my work with the family of Avery Joseph, Jr. (A.J.) over the last two years, the family has suffered some significant hard ships. These hard ships range from the loss of Mrs. Slaughter job and income to the resulting family dynamics. The family has worked to move through this challenging time, making the decision that relocating A.J. to Oregon to reside with his aunt would be beneficial to all parties.

Please don't hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink. The signature is fluid and cursive, appearing to read "Victoria J. Siever". It is written over a horizontal line that extends from the left side of the page towards the right, ending under the signature.
