Russ,

Lydia Oliveira never participated in an extra-curricular activity while at Glide High School. I am very pleased to see she is interested in participating at Roseburg High School. I am in support of her future involvement in any extra-curricular program while she attends your school.

Al Skinner
Athletic Director
Dean of Students
Glide High School

Al, we have a young lady that has transferred to us from glide. Lydia Oliveira, she never participated in athletics for you, but wants to run cross country for us. Could you send me quick email if you have no issues with her running for us. Thanks.
