

Academic Eligibility:

The objective of the academic eligibility rule, "Pass to Play," is to complement CHS school curriculum programs in recognition of the fact that interscholastic activity programs are an extension of the classroom. Academic standards help ensure a balance between activities and academic performance, promote the objective of graduation from high school, ensure that student participants are truly representing the academic mission of the institution, and allow the use of interscholastic participation as a motivator for academic excellence.

End of Quarter Reporting Periods

At the conclusion of each quarter, report cards shall be issued to students. For these reporting periods, athletes must be enrolled in school, attending regularly, and be passing all classes. In addition, athletes must be on track for graduation.

Weekly Progress Reports

In order to maintain eligibility in season, athletes must meet the "Pass to Play" requirements on a bi-weekly basis, and athletes must be passing ALL of their classes. Grade checks will be filled out for each student athlete by their teachers every other Thursday. If a student does not meet the academic standard set forth, they will be placed on probation for the following week. During probation the student must attend 3 "AAA" (Athlete Academic Assistance) classes each week to maintain eligibility. If they do not attend the "AAA" classes they will be ineligible for the following week. "AAA" classes will no longer be required once the student is passing all classes. Students on probation will have their grades checked on a weekly, rather than a bi-weekly basis.

Any time a student athlete on probation does not meet the academic standard listed above, they will remain ineligible until the next grade check comes out.

Eligibility periods will be from Monday through Sunday. The teacher reports will be filled out on Thursday, and the eligibility report will come out on Monday morning. Every teacher, coach and administrator will receive an eligibility report on a weekly basis.

"AAA" Class (Athlete Academic Assistance)

When a student is placed on academic probation they must attend 3 "AAA" classes. There will be a total of 6 "AAA" classes available to attend each week: Monday, Wednesday and Thursday before school in the Athletic Director's classroom. "AAA" class will start at 7:40 am and conclude at 8:15 am. In the afternoon "AAA" class will start at 3:20 pm and end at 4:00. The location of the afternoon session is TBD and could change on a weekly basis. If the student is tardy to an "AAA" class it may not be counted for attendance.
