To Whom It May Concern,

August 17, 2015

This letter is in support of Rodrigo Guzman Fletes. He is currently .5 credits short on being on track to graduate and therefore is not eligible. Rodrigo and his twin brother Osvaldo came to Creswell from Mexico to live with his Uncle halfway through his freshman year in High School. Both students qualify for English Language Learners support.

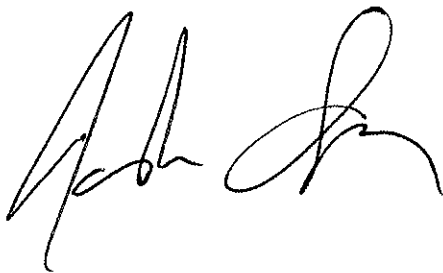

Rodrigo has passed every class he has taken since arriving at Creswell High School earning an accumulative GPA of 2.95. His attendance and behavior has also been outstanding. As Athletic Director I check all of the athletes great every two weeks. We will be monitoring his progress closely to make sure he remains in good standing.

Had Rodrigo been at Creswell since the start of his freshman year he would not be in this place. He has passed all of his classes and proven to be a hard worker. I am confident he will continue to do so. Thank you for your time and consideration.
