Mr. Fisher,

This letter is in reference to student Skylar Terwillegar, a Title 10 student who is seeking eligibility to play football at Pleasant Hill High School.

Thurston High School, and I as principal, approve Skylar's request for hardship and am very pleased to hear he is working towards eligibility to play football.

If you have any further questions, or suggestions as to how we at Thurston might be of assistance to you or Mr. Terwillegar, please do not hesitate to reach out.

Thank you for your advocacy for this young man.

With best regards,

Chad R. Towe, Ed.D  
Principal, Thurston High School
