RE: Stephen Burns' Athletic Eligibility

Cindy Simmonds
Assistant Executive Director
Ext. 227
cindys@osaa.org

Dear Nate:

The OSAA Eligibility Appeals Board (EAB) met Monday, August 31, 2015 to review the eligibility request waiver of OSAA Rule 8.6 *Transfer without Change of Joint Residence* for Steven Burns, whose athletic eligibility had been denied by the District Athletic Committee of the 2A Northwest League. The hearing was conducted at the OSAA office in Wilsonville.

Peter Weber
Assistant Executive Director
Ext. 231
peterw@osaa.org

The Appeals Board reviewed all of the written information that had been submitted on behalf of the student. In addition to the original information received by the District Athletic Committee, the EAB received the rationale for the DAC's denial of eligibility and the email request for an appeal from Gordon Jarman, Athletic Director, Vernonia H S, with an explanation of why the eligibility request was a hardship. During the hearing, the Board listened to comments and testimony by Steven Burns, the student; Thor Ware, family friend; Blade Ware, Thor's son and school friend; Gordon Jarman, Athletic Director, Vernonia H S; Nate Underwood, Principal, Vernonia H S; and Aaron Miller, Superintendent, Vernonia SD. Following the dialogue and questions, the Eligibility Appeals Board convened into executive session.

Kyle Stanfield
Assistant Executive Director
Ext. 239
kyles@osaa.org

From the written documentation submitted and the oral testimony provided at the hearing, the Eligibility Appeals Board concluded the following:

Steve Walker
Sports Information Director
Ext. 232
stevew@osaa.org

Findings of Fact:

1. Steven attended Vernonia Elementary School up through the 3rd grade. Aaron Miller, Supt., Vernonia SD, was Steven's principal when Steven was attending Vernonia Elementary School and remembers that his family situation was difficult even then. Last school year, 2014-15, as a junior, Steven was living with his parents and attending Rainier H S. Steven participated in 5 JV football games as a sophomore at Rainier H S.
2. Steven was living in the basement of his mother and stepfather's house in damp, moldy, unheated conditions with insects and frogs last Fall. He started staying at friends' homes and was texted by his parents to get his things and move out. The basement door was locked so he could not get his clothes and other items without paying for them. The Larson family in Rainier let Steven live in their empty motorhome.
3. Thor Ware's son, Blade, has been friends with Steven since 8th grade. When the Ware family moved back to Rainier from Wyoming, Blade asked his family in late January 2015 if Steven could move in with them. Being with the Ware family has provided stability, regular meals, and social and physical activity keeping up with the four Ware brothers in the household. Steven is attending school regularly, has made up credits, is getting better grades, and appreciates and enjoys living with the Wares. He would like to participate in football and track & field.
4. After moving back to Rainier and having Steven move in with them, Mr. Ware applied in April 2015 and was hired for a teaching position and football coaching position at Vernonia H S. The family, including Steven, plan to move to Vernonia but need to find a large home. The family received a reciprocal agreement to have their sons attend school in Vernonia and Steven submitted a "Student Intent to

Transfer Certificate" May 20, 2015 that was signed and approved by Mr. Miller June 10, 2015. As the homeless student liaison for the school district, Mr. Underwood emphasized that the friendships made through athletic participation of homeless students improves the odds of that student finishing high school.

5. Vernonia HS submitted an Eligibility Request to the 2A-Northwest League District Athletic Committee August 19, 2015. The DAC denied the eligibility request on August 23, 2015 and Vernonia HS requested an appeal on August 27, 2015.

Conclusions:

The EAB may grant an exception to the transfer rule "when in its opinion there are circumstances beyond the control of each of the student and the student's parent(s), or other circumstances whereby enforcement of the rule would work an undue hardship upon the student." After reviewing the facts and testimony presented, the EAB concluded that the decision to transfer Steven to Vernonia HS, along with the Ware sons, was made in Steven's best interest and convenience for the Ware family and not for any athletic gain. There was no undue influence, based upon the timeline of Mr. Ware's application for the teaching and coaching positions and the demonstrated hardship of Steven's homelessness.

Therefore, the Eligibility Appeals Board voted (5-0) to overturn the DAC denial of eligibility. Steven Burns is eligible to participate in OSAA activities effective September 1, 2015.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,

Peter Weber
Assistant Executive Director

Subject: RE: DAC Denial of Vernonia HS Student's Eligibility Request

Good afternoon,

The vote to deny the Eligibility Request for Steven Burns was unanimous (3-0) and based on the following rationale:

- 1) There was no valid change of joint residence. Although Steven was kicked out of the home, legal guardianship remained with the mother.
- 2) Upon leaving the house, Steven moved in with a friend. He later moved in with another family, the father of which is the Head Football coach at Vernonia. This, in our opinion, raises too many "red flags" in regards to possible athletic motivation for the transfer.

Please feel free to contact me if you have any further questions,

To Whom it May Concern:

This is to confirm that I am aware that Seven Burns is in a homeless situation. He had some difficulties at home, he left there and has been living at the Ware home for an extended period of time. He applied for an intent to transfer in June indicating that he would be moving to the Vernonia area with the Ware family. He has not participated in any athletic programs over the summer with Rainier.

Attached is his most recent transcript and attendance.

August 13, 2015

My name is Steven Burns. I have been living with the Ware's since January of 2015 when they moved back from Wyoming. Prior to that, I was living at the Larson's in their motorhome. I moved out/kicked out of my house because we moved into a smaller house in Rainier and there wasn't another room for me so my parents asked me to live in the basement if they made a room in it. I agreed but after about two months no room was built and the basement had black mold, wet ground, no ceiling, frogs and insects living down there. Also my parents smoked weed all day, every day. The house would smell like weed all the time.

I also had puppy living down there with me and my parents said I could get. I kept it with me in the bad living conditions. I asked them to build the room and they kept putting it off so one day they flipped out on me and texted me while I was at school and said they had packed my stuff and to come get it. I came to get my stuff and it was a little box of stuff mostly school papers. I asked about my clothes and other things, my step dad said I had to pay them to get it back and put a padlock to keep me out of the basement. That's when my friend Josh Larson and I had talked to his parents and they let me live there for a while. Then Blade Ware moved back to Rainier with his parents. Blade said they have a bigger house than the motorhome I was in and they let me move in with them. Ever since then I have been getting better grades and caught up on my credits, Thor and Daryn Ware have helped me a lot and have acted like great parents.

Sincerely,

Steven Burns

Subject: Intent to appeal district hardship decision

Tom Welter
OSAA

This letter is to inform you the Athletic Department of Vernonia High School intends to appeal the NWL league hardship committee's decision of denying Steven Burns eligibility.

If you read Steven's narrative regarding his living conditions and the fact his parents locking him out of his house when he turned 18 and requiring him to pay for his clothing and other items if he wanted them back, forcing Steven to live in a motor home at another students residence until the Ware's moved back to Rainier in January and his friend Blade invited him to stay with them, providing him with suitable living conditions and the fact Steven is homeless, should be enough to grant this appeal, disregarding whether Thor Ware, Blades dad, is the head football coach and teacher at Vernonia and head of the Ware household.

For the sake of Steven having stable living conditions and a suitable environment to finish his senior year I am asking you to overturn the district hardship committees decision and grant him eligibility for the football season this year.

Time is of the essence in this case as football season is well underway with first contests starting this week. I started this process on the 19th of August and communication with some AD's made it difficult for them to reach a decision until the 26th of August . Thank you for your time one other note Steven was in school in Vernonia as a second grader before moving to Rainier. Please inform me of the direction I need to go from here.

AD Vernonia School District.
