To Whom it May Concern:

This is to confirm that I am aware that Seven Burns is in a homeless situation. He had some difficulties at home, he left there and has been living at the Ware home for an extended period of time. He applied for an intent to transfer in June indicating that he would be moving to the Vernonia area with the Ware family. He has not participated in any athletic programs over the summer with Rainier.

Attached is his most recent transcript and attendance.
