Dear OSAA Hardship Committee:

I have attached Josh Martin's class schedule for the entire year. Josh will have the opportunity to earn 7.75 credits if he passes all the classes that he is scheduled in, with the addition of completing his Senior Portfolio. Along with his regular school schedule, he will be enrolled in the following online classes through our credit recovery program:

English 11 S2 .25 credits to complete his English requirement

Biology S2 .25 credits to complete his Life Science requirement

Geometry S1 .25 credits to complete his Math requirement

World History S2 .25 credit and US History S2 .25 credit to complete his Social Studies requirement

He will also need a remainder of 1 full general elective credit in order to meet ALL his graduation classes. SWOCC is in the process of changing their online credit recovery program at this time and we are unsure of all the classes that will be available for him, but he will be able to take these classes in some format, to ensure his graduation.

Josh is a student that has shown great improvement. He is an individual that has been given a hard start to his life. He has been in and out of Foster Care, and bounce around from one Foster house to another. Josh is a good student with a kind heart, who really hasn't been given many chances in his school and personal life. It is my belief that being a part of a school sporting event would give Josh welcomed structure and positive socialization. On top of this, Josh is committed to completing his high school education and to graduate with his classmates in June of 2016. It will be extra work, but with Josh's recent success, I really do believe that he will make it!

Sincerely,

Laura Osbon
