Dear OSAA Hardship Committee:

I just met with Josh and his father and we have created a timeline for Josh to complete his online credit recovery courses. I felt it was important that I had input from Josh so that we can have a realistic goal in what is shaping up to be a very busy senior year for him. He is very confident that he will be able to meet all his senior requirements to graduate in June.

Josh is making a commitment to complete the Geometry, Biology and one of the elective courses by 12/1/15. He will complete both partial credits for his social studies requirement by 3/1/16 and will finish the English and the other general elective credit recovery course no later than 4/15/16.

As I stated in my previous letter, I am confident that he will be successful in his endeavor to lead a healthy balanced life of sports and academics.

Sincerely,

*Laura Osbon*
