Mr. Jarman,

This letter is in reference to student Robert Connor who is seeking eligibility to participate in athletics at Vernonia High School.

Thurston High School and I as principal are aware of Robert's transfer and approve Robert's request for hardship; I am very pleased to hear he is working towards eligibility to participate in athletics.

If you have any further questions, or suggestions as to how we at Thurston might be of assistance to you or Mr. Connor, please do not hesitate to reach out.

Thank you for your advocacy for this young man.

With best regards,

Chad R. Towe, Ed.D.
Principal, Thurston High School
