Re: Brian Rill-transfer from Heppner High School

To Whom It May Concern:

I am writing this letter in reference to my younger brother, Brian Rill, who is planning on attending Summit High School and playing Football for the 2015-2016 school year.

Brian is the youngest of 4 children with myself being the oldest. Brian has attended Heppner schools throughout his entire life and this year we have decided to move him to my home due to some unforeseen circumstances within the family.

During the later part of 2014, our parents went through a difficult time in their marriage in which has resulted in a divorce. Our father is a long haul truck driver who is only home about two days per week and our mother has moved out of the area of Heppner with a man whom she has only known for approx. two months. Due to the fact that our father is not home much, we agreed that it not an option for Brian to be home alone during the week. As well as moving him in with an unknown person with his mother.

As a family we agreed the best scenario was for Brian to reside with me, his oldest sister here in Bend. I have lived here for the past five years and can provide a stable environment for him to finish out his high school career.

As hard as this transition was for Brian to leave everything he has known for 17 years, he is very excited for this opportunity to be a part of the Summit High School academic program. Your consideration of Brian is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Heather Rill". The signature is fluid and cursive, with "Heather" on the top line and "Rill" on the bottom line.
