To Whom It May Concern:

Brian Rill contacted us last spring, stated that he might be attending Summit High School due to family challenges from a divorce. Brian filled out the Intent to Transfer Form and arrived at Summit a week before the official start date for football. He has been an active participant so far and we look forward to Brian having a successful academic and athletic year at Summit. There have been no issues or concerns and he left Heppner High School in "Good Standing." If you have any questions or concerns, please feel free to contact me at 541-355-4102 or [gabe.pagano@bend.k12.or.us](mailto:gabe.pagano@bend.k12.or.us).

Thank you for your time,
