To whom it may concern: I am writing this letter on behalf of Brian Rill. Brian attended Heppner High School from 2012 to 2015, (freshman thru junior years). Brian was a student in good standing during his time at Heppner High School.

Due to a divorce in the family Brian has moved to live with his sister in Bend. This is the best possible situation for supporting Brian and his education. We support Brian in this move and hope he is able to be eligible for all activities at Summit High School.

Please contact me if you have any questions.

Respectfully,

Greg Grant
Heppner High School AD/Head Teacher
