IMC Hardship Committee:

While in the process of clearing Brian Rill for eligibility to practice, I have come across some false or missing information that was provided on behalf of the Heather and Brian Rill last spring. Here are the facts as you consider this hardship for Transfer Without Joint Residency.

1. Brian Rill provided an Intent to Transfer on 4/16/2015. This was signed by Heppner High School and Summit High School.
2. When I spoke to Heather and Brian, they provided 1749 SW Troon Avenue, Bend Oregon, 97702, which is in Summit's boundary in April 2015.
3. Brian worked out during the summer with the football program.
4. On August 14, 2015, Julie Plummer began registering new students. When Heather and Brian came in, they provided a new address that was not in Summit's boundary, the address fell into the Bend boundary.
5. I told them immediately, that they needed an Area Change Request from Bend. Attached you will see the Area Change Request from Bend, signed by Sal Cassaro on 8/21/2015.
6. PLEASE NOTE: Brian Rill practiced with Summit High School without an ACR.
7. I spoke with Peter Weber on 8/21/2015 and he advised to include the mistake with the Area Change Request in the hardship with the Transfer without Joint Residency.
8. Please contact me if you need any additional information. This young man is a senior and will be playing varsity football. I do not want any grey areas when you grant or deny eligibility.
9. Heather Rill is also providing an explanation of the housing situation that occurred over the summer.

Thanks,
