Good morning Gabe,

Thanks for your time this morning and hopefully we can get this situation clarified and settled for you and OSAA.

When we decided that Brian would attend Summit High School, my fiancé and I were residing in the Summit district at 1749 SW Troon. We had moved into that address in January of 2015 knowing that we would be purchasing a home and most likely moving sometime in September. Our family had made the decision that Brian would attend Summit somewhere around the month of March when we had started a conversation with yourself and Coach Padilla. I had let Coach Padilla know that our plan was to move sometime in September since we were buying a house and I wasn't exactly sure what area we would be in. I knew that if Brian had started there and had gotten enrolled with our address at 1749 SW Troon and ended up moving after, we would be fine. However, the move and purchase of our home happened a little sooner than we anticipated and I didn't realize this would cause such an issue but completely understand.

We made sure to sign the letter of intent to transfer right after we spoke to you and Coach Padilla due to the OSAA rules and guidelines back in the spring. We closed on our house the beginning of August and are just now getting settled in which now we reside in the Bend High area. I didn't realize we needed to have an area change form approved and signed before he started practice on Monday, August 17th, since we had already started the process with his enrollment at Summit when we were residing at the Troon address. This was a total mistake and overlook on my side and something I should have brought up to you before Brian started practicing on Monday. I do apologize for this inconvenience and hope that you can take Brian's hardship into serious consideration. He has made several strong relationships with other teammates as well as the Summit Coach and staff.

I have attached a proof of renters insurance for when we did reside at the 1749 Troon address for your reference.

Please let me know if there is anything further I can provide to you. Again, thank you so much for your help with this and I do apologize for my overlook.
