To Whom It May Concern,

I am writing on behalf of Blake Dority, a high school student second semester last year at Chaparral High School in Parker, Colorado.

During Blake's time at Chaparral he did not have any attendance or behavior issues. The family does the school district \$32.50 for the cost of transportation, and his official transcripts will be held until the fee is paid.

Please let me know if I can provide you with any additional information.

Sincerely,

A handwritten signature in cursive script, appearing to read 'G. Gotchey'.
