

## 2015-16 Credit Recovery Plan of Action

Lasha Shepard

During the 2015-16 school year, the following plan will be in place to help Lasha recover the necessary credits to be on track to graduate entering her senior year.

### Courses at Grant High School:

- Lasha will maintain a full schedule of 8 academic classes and successfully pass courses both semesters (see attached schedule for the year).
- As identified in her schedule, Lasha will use one period to recover the Modern World History Course using the Virtual Scholars Program.
- Lasha will also complete 30+ hours of volunteer work and the necessary essay to complete the "Credit for Proficiency" available through Grant, which will award her one half credit.

### Courses at Evening Scholars:

- Lasha will enroll and pass two courses (U.S. History) during the Portland Evening Scholars Spring session. Completion of these courses will earn Alexus one full credit.

### Courses at Summer Scholars:

- After the standard school year, Lasha will take courses during both sessions of the Portland Summer Scholars program. And she will receive one half credit for each session she passes, for a total of one full credit by the end of the summer.

The above credit recovery plan will ensure that Lasha is successful in her junior year of high school and will recover the credits necessary for her to be on track to graduate entering her senior 2016-17 year.
