Mr. Welter,

Karsen Powers is a young man that has found himself in an unanticipated dilemma.

Karsen was aware that he needed to attend summer school to improve his academic standing and become eligible for football. While it is no secret that he has struggled academically in the past, Karsen made a concerted effort to turn this around headed into his senior year of school.

Unfortunately, one of Karsen's closest friends was killed in an accident this summer. Karsen took this particularly hard. He did find the will to pass a math class bring his pass total for the previous semester to 5. However, Karsen is still short 1 cred to be making adequate progress (He has 16 and needs 17)

Karsen has committed to finishing his needed credit through our on-line learning system and staying on track to graduate. Should you agree to provide him his eligibility we will monitor his progress weekly. If at any time he falls short of his weekly expectations he will be deemed ineligible to compete until he returns to meeting his academic requirements. These requirement will stay in place the entire school year regardless of Karsen's involvement in athletics and activities.

Thank you for your consideration of Karsen Powers' athletic eligibility

Respectfully,

Jeff Chandler  
Athletic Director  
Assistant Principal
