

Dear OSAA 1

My name is Cassandra Holmes. I am the mother of Selena Contreras (Conde-Holmes), I am writing to ask for a Hardship for my daughter to play volleyball.

I guess I will start by saying I have a very intelligent and skilled daughter that has literally been through hell. Without going through our whole life stories, and all the traumas that has led up to her grades dropping and missing so much school from suicide attempts and having her appendix removed. She struggled to try and catch up after she was put on a medication that was working for her and getting some mental health counseling. But due to the lack of support from teachers she was unable to do that.

I personally went to the school a couple times a week to get work for her. I had two teachers that would actually give me work for her, which was
