To whom it may concern

My name is Art Houghtaling and I am writing this letter on behalf of Jeremy Labrado. Jeremy moved to our district at the beginning of the 2015-2016 school year. He attended Dallas High School last year and only passed four classes during the last semester. He experienced some life changing events in his family last winter and felt unwanted and unloved. Because of this his grades suffered and he had a hard time getting motivated.

Jeremy has expressed an interest in playing sports this year. Jeremy is on track to graduate but need to make up a couple of classes he failed. Jeremy is enrolled in seven classes this trimester. He and his mom are going to meet with me to get develop a plan to ensure that Jeremy will graduate on time.

I believe that participating in sports will help make his transition to a new school easier for him as well as help keep him motivated. I therefore encourage you to approve this hardship request

Thank you
