I was very excited when my Dad got the position as teacher/head football coach at Vernonia high school. Then I met some of the other students and have become really good friends with many of them. My brother Steele and I have played together every other year as we have grown up, because we are one grade apart. This is going to be my senior year the last time we can play together before I go to college. The other day my Dad told us that we were ineligible. My brother Steele started crying, my Dad was very upset. It is not fair. I want to be coached by my dad and I want to play with my brother. We cannot go back and play at Rainier and play for someone else because we already practiced with Vernonia. We cannot play for Dad. So now we are stuck with not being able to play at all? That makes sense! This is hard for me to understand why. I see players on Oregonlive transferring everywhere and playing, but I can't play for my Dad. I am very frustrated. I just want to play!

Subject: Letter Blade & Steele

August 24, 2014

To Whom it May Concern:

This letter references both Blade and Steele Ware. The family applied for an inter district transfer for both boys which was granted by the Rainier School District. They have not participated in any activities with the Rainier School District since school let out in June of 2015. Their dad teaches for the Vernonia school district and has elected to have them attend there for their education.

August 21, 2015

This is in regards to my sons Blade Ware and Steele Ware. We moved back to our home in Rainier in January of 2015 from Worland, Wyoming. My sons only attended Rainier high school from January 2015 to June 2015 and never participated in athletics. In May-June, I accepted the position as mathematics teacher and head football coach at Vernonia. I was under the impression by reading on the OSAA website that my sons would be eligible to participate in academics and athletics because of my affiliation with the school district as a teacher and coach, but was informed on August 19th that they were ineligible because we had not moved in the Vernonia District.

We (my wife and I) are a single income family with five kids and it has been difficult to find a home that can fit us, that is in our price range. We are now diligently searching for a rental in Vernonia to move us closer to the school and eliminate this eligibility issue. Moving to Vernonia would help eliminate the cost of gasoline driving there and back, because that gas bill eats into our grocery bills.

This is my son Blade's senior year and I feel guilty looking at the possibility of both of them not being able to participate in athletics. I have put them through a lot of stress with all the moves, Idaho, then Wyoming, and now Oregon over the last three years. I hope that we will find a home there ASAP, but if we cannot I am begging that the league please give my sons the opportunity to play.

Sincerely,

Thor Ware
