To whom it may concern,

My neice Brooklyn Estrada has lived solely with her father, as her mother lost custody of her 10+ years ago due to drug abuse & child neglect. It has always been hard for her living with a single dad & her older brother. As a small child she would try to spend as much time at our house as possible (with her 3 girl cousins), even though she is the daughter of my ex-husband brother...I couldn't turn my back on her.

In Early May of this year, it was apparent that her father wasn't providing the basic needs for her and when she came to our house she never wanted to go home. She text me begging to live with us, and offering to do chores because she said her dad wouldn't pay for anything. It seems as though her father has become a severe alcoholic and has been neglecting Brooklyn.

She has lived with us since May and I drove her to FGHS daily to finish her freshman year there. I promised her a normal home and the best place for her is here with us.

Sincerely,

Noelle Pearson P.C.

TO whom it may concern:

I have asked to live with my a.s.t. Noelle in my cousins because my dad lost his house and hasn't been taking very good care of me. He also drinks a lot and doesn't drive me to practices or anything. It's embarrassing and I just wanted to have a normal home. I love living in Hillsboro and it is going to be so much better than before
