To whom it may concern,

My daughter Elizabeth Sanchez is enrolling at Mazama High School this 2015-2016 school year and will continue there throughout her high school years. We have lived at 3824 Crest St. in Klamath Falls Or. for a little over 3 years, our address is in the Klamath County School District but being approved through the open enrollment process she attended Klamath Union High School last school year so she could continue on with her peers from Ponderosa Junior High. We are at a point in our family situation that it would be less of a hardship on our family if she could attend the high school that is closer to our home.

Thank You
