

To Whom it may concern,

In my opinion the switch from South Umpqua High School to Days Creek Charter School is the best decision that has been made for him. I have known Chad Dallas for a number of years. He is a smart, caring young man. The issues that he faced at SU hurt his self esteem and his grades. Coming to Days Creek has already brought up his self esteem and his want to go to school again. Chad has plans to go to college and loves to play foot ball.

Please let me know if you need anything else. Chad is a good kid.
