

I deserve to play Volleyball this year because last year i moved out of my Parents ~~the~~ house and into my own place in green acres. I Started working at Dq in bandon while attending school at winter lakes High School in Coaville. ~~at~~ The end of the year things seemed to get more Difficult not only at work & school but also at home. if it wasn't one thing it was another. I Started playing Softball for myrtle point. at one of The games ~~we~~ i caught a Fly ball to my windshield. That was another 200 Dollars ~~the~~ i Did not Have... so i Drove until i got to many warnings to Drive my car anymore.

Not Having Transportation
was a big issue. Luckily
my boyfriend worked in
Bandon also. He tried to
get me to school as much
as possible but unfortunately
work got in the way. I
did not have access to internet
at home anymore so I was
unable ~~to~~ to proceed in doing
my work from home. ~~so I had to~~

I had to pay rent, power
and a couple tickets for
my windshield and all
the other great things
in life (Sarcasm) as school
ended and summer came
around things got easier
until June 27th my life
came to a screeching halt!!
When I found out my
brother Cody died. There
I was feeling depressed and
helpless not having anything
to look forward to in life.

Volleyball Season came around the corner and i wasn't sure if i was Ready to move on with life and Pursue Happiness or let it move on without me. So i chose to move with it a live for him. I know He wouldn't want me to sit around and be sad and miss my Favorite Sport. I am excited to ~~to~~ attend my last year of School as a Senior and Try my Verry best to be The best \$ Student, Person, Teammate I Can be.
