To: Pete Weisel, Nate Underwood, Vernonia School Board:

I hereby attest that Trevor Kent passed American History, 2<sup>nd</sup> semester, 2015 with a grade of "D". He earned and deserved this grade. I would also like to add that I was very impressed with the way he turned things around and matured as a student and young adult the last 4 or 5 weeks of the school year.

Sincerely,

A handwritten signature in black ink that reads "Byron B. Brown". The signature is written in a cursive style with a long horizontal flourish at the end.
