### **Supports in Place**

- Noah will have a 45 minute supervised study time afterschool before practice. This is mandatory for all our athletes. During this time he will complete homework assignments and if he has none will work on his online courses. This extra study time is supervised by a WHS teacher who is also a coach for our district. If necessary Noah can meet with his English teacher during this time as well to get assistance as needed.
- Noah is placed 7<sup>th</sup> period with one of our senior teachers working with students completing online courses. This class is small- limited to 12 based on available computers. The teacher will set weekly pacing (based on completing a quarter of work per quarter) for his online courses (for example you must complete 4 language arts lessons this week). If he is granted a waiver from OSAA, and does not meet this pace- he will be benched until he is back on track.
- Noah will do weekly grade checks with the principal. He will have all of his teachers sign a grade check sheet every Thursday. If he is granted a waiver from OSAA and at any time is failing a current class, he will be benched until the grade is raised to passing.
- During Noah's TA period after completing necessary duties for the teacher, Noah will have additional time to work on his online courses.
