Dear Christopher:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8-1 (Grade Deficiency). I have carefully reviewed all of the information that you have submitted, and I have concluded that eligibility should be granted because the student's Individualized Education Program (IEP) team has determined that the student is making adequate educational progress towards meeting the goals and objectives outlined in the IEP.

A condition of this eligibility shall be weekly monitoring by the school to ensure that the student continues to meet the goals and objectives of his Individualized Education Program (IEP) to be able to graduate in June 2016. If the student fails to meet these goals and objectives at any time, then eligibility is revoked. Any request for future eligibility would have to be resubmitted to this office for consideration.

I sincerely hope that the student will benefit from this waiver.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
