Spencer L Wilson  
1650 Bryant Ave  
Cottage Grove, OR 97424

DOB: 06/29/2000

To Whom It May Concern:

I recommend that Spencer transfer away from his current high school. He has a medical diagnosis of depression, in part related to stress from treatment he has experienced at his current school. I request that alternative education arrangements be made to accomodate him for the duration of this school term.

Sincerely,

*Sylvia Emory MD*
