To Whom It May Concern:

Spencer Wilson has transferred to North Eugene High School from Cottage Grove High School. He is not eligible for sports at North due to a transfer without change in joint residence and a grade deficiency. I spoke with Iton Udosenata who is the principal at Cottage Grove. He confirmed that at Cottage Grove Spencer had a difficult time fitting in due to the color of his skin. Iton was very supportive of Spencer getting a fresh start at a new school. Spencer is African American and has had trouble with race amongst his peers. His doctor has diagnosed Spencer with depression, and it has been recommended that he make a school change. Spencer has been practicing with the football team at North and has made new friends that are similar to him. I plan to put Spencer on a weekly grade check system and if at any time he is failing a class, his eligibility will be revoked for the season. Please consider Spencer Wilson for this eligibility request.

Sincerely,
