To Whom It May Concern:

I am writing this letter in support of Dinesen Bacher's eligibility request. I do feel it is in Dinesen's best interest to be allowed to compete with the JV Cross Country team this year. He has gained no competitive advantage from the circumstances he and his family encountered last year. Dinesen is an excellent student that is enrolled in a full class load here at Lincoln this year.

Peyton Chapman

A handwritten signature in black ink, appearing to read "Peyton Chapman". The signature is fluid and cursive, with the first name "Peyton" being more prominent than the last name "Chapman".
