---

Mr. Tom Welters,

This is a letter in support of applying for a waiver to the progress toward graduation requirement for Josh Trevino-Sheley. Josh is .5 of a credit behind on the new requirements. His family and counselor have discussed and created a plan that is attached to this hardship that will allow him to earn enough credits to get him to graduation. Josh battled cancer during his Sophomore year which put him behind in credits. He currently is cancer free and would love to continue to compete and stay active while participating in Football and Wrestling. Josh needs to do his part also and not fail anymore classes. He is definitely aware of this.

Sincerely, Eric Stauffer

AD Sam Barlow High School
