My name is Suzanne M. Cormier. I am Roy Alexander Nelson's mother. About a month ago, Roy moved to Klamath Falls, Idaho to live with his sister, Allyscia M. Foster and her family. Roy was born on January 8, 1999, in Sacramento, and was raised by myself until I was forced to move into Bruceville Terrace Skilled Nursing Facility, last year. I have Cystic Fibrosis and it has progressed to the stage that my mom was no longer able to provide me with the necessary care. At that point, we sent Roy to Texas to live with his cousin and her family. Roy lived with them for ten months, until we found out he was in an abusive living situation. We brought Roy back home and my daughter, Allyscia Foster, came down to Sacramento and moved him to Klamath Falls to live and finish his last two years of high school. Roy is an outstanding student and would love to participate in the football program at Mazama High. I think it would be a positive experience for him and help him adjust to a new school and city.

I am giving my permission for Roy Alexander Nelson to participate in the football program at Mazama High School in Klamath Falls, Idaho.
