The following questions need to be answered to the satisfaction of the principal, athletic director, and the OSAA or district committee. Explain thoroughly.

1. How is it that the student finds themselves in this situation?
2. Why should an exception be made to the eligibility rules in this case?

My son found himself in the situation of not being able to play because we had a tragedy in our family and he thought it was his fault so he started slacking in school.

I think my son deserves a second chance because he's been working on classes he failed and has been working hard to graduate. So he can graduate.
