The following questions need to be answered to the satisfaction of the principal, athletic director, and the OSAA or district committee. Explain thoroughly.

1. How is it that the student finds themselves in this situation?
2. Why should an exception be made to the eligibility rules in this case?

I found myself in the situation of not being able to play soccer because a few years back I had a sibling pass away and that made me wanna give up because I thought it was my fault she had passed away so basically I just stopped caring about school.

I think I deserve a second chance because its my senior year and Im going to work hard to do well in school since its senior year.
