The following questions need to be answered to the satisfaction of the principal, athletic director, and the OSAA or district committee. Explain thoroughly.

1. How is it that the student finds themselves in this situation?
2. Why should an exception be made to the eligibility rules in this case?

the reason my son had poor grades last year didn't quite understand and didn't understand the problems and missing days of school it was a challenge. So now he got a better idea to get better grades and focus on work and keeping on top of his self. He really enjoys playing sports so he know to work hard and have good grades and keep on task to continue to play sports.
