Re: eligibility request

I am writing this letter in support of the on-line eligibility request for Victor Hernandez. After his freshmen year, Victor was one class short in semester two for earning 2.5 credits (he earned 2.0) and he was one class short of being on-track to graduate (he has 4.0 so far and needs 4.5).

Victor is a student with an Individual Education Plan (I.E.P.). As per special education teacher, Chris Boock, despite his grades, he is meeting the goals of the I.E.P.

Victor has come a long way as a student, from being in a self-contained special needs classroom (Emotional Growth Center) to mainstreaming. We believe that the lessons taught on the field will help him as he continues to progress as a student and a person.

Thanks for your consideration of this hardship request.

Sincerely,

Bill Wittman

Athletic Director
