Re: Frida Broscheid

I'm writing to you requesting approval of eligibility for Frida Broscheid. Frida is a direct placement foreign exchange student with a CSIET approved exchange program. The families met over a year ago and discussed the possibility of Frida studying at a school in the U.S. to which the Sharma family offered their home as a possibility. Frida was directly placed through Northwest Student Exchange into their home for the 2015-16 school year and since the family resides in our area and has current students in our building, she will attend Bend High.

The family would love for Frida to have the opportunity to participate with the cross-country team this fall as a chance to make friends and socialize into the American high school culture. I firmly believe this direct placement was not athletically motivated as Frida has never participated in cross. We anxiously await your decision on this matter as the season has begun.

If you have any questions, please don't hesitate to get in touch.

Again we thank you!

Sincerely

Dave Williams
Athletic Director
