### Credit Recovery Expectations:

- Credit recovery classes are designed to replicate what students have already been exposed to in the classroom, therefore, classes can be completed at an accelerated pace. Students are expected to complete at least one half credit (.50) every nine weeks.
- Rules regarding cheating and plagiarism apply to credit recovery classes just as they do the regular curriculum. Please read the back of this page for the full policy.
- Disregard for these expectations may result in removal from the credit recovery course.
