Hardship Committee:

Apryl Beamer transferred to Elkton High School during the summer of 2015. For various reasons, including a change in foster placement, Apryl began practicing volleyball without filling out the intent to transfer form. I support Apryl being allowed to participate due to her dynamic family situation. Also, the school and coach did not follow the correct process in filling out the form. I ask that Apryl be granted a hardship and know of no undue influence present in this situation.

Andy Boe
