Re: Apryl Beamer Hardship

Please accept this letter in support of approving a hardship for Apryl Beamer. Apryl attended North Douglas from midway through the 2013-14 school year through the end of last year. She performed well in the classroom, and was never a discipline problem. Her involvement in athletics at Elkton High School will only be a positive in her life.

Feel free to reach me at 541-836-2222 if you have any questions.

Sincerely,

Scott Yakovich

Principal

North Douglas High School
