To Whom It May Concern,

I am writing this letter on behalf of Trevor Johnson on the Student Eligibility Request Form 20150203. Trevor is ineligible according to the satisfactory progress towards graduation which falls under OSAA Rule 8.1.2.

Trevor is a senior at Brookings-Harbor High School and would like to participate in athletics his senior year. He has struggled academically in his time at BHHS. He did not play sports his freshman and sophomore year. He played the first semester as a junior but became ineligible the second half of the year.

Trevor has 16 of the 17 credits needed to be on course to graduate. He took a class over the summer but has yet to complete it. He needs the class in order to graduate. By keeping him playing sports I will be able to hold him accountable and finish this class as well as keep all his other grades up. I will also put him on our three week grade/attitude check cycle. He will never get off this until he is on course to graduate which will be throughout the whole first semester.

If you have any questions please don't hesitate to contact me at 541-469-2108 ext 4005.

Thanks for your time.

Sincerely,

Buell Gonzales, Jr.
