Dear Erik:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that eligibility should not be granted at this time.

Eligibility is denied because the student has failed to demonstrate sufficient academic achievement at this time, and there is no documentation submitted to indicate that his absence from school and the academic deficiency are due to circumstances beyond the control of each of the student and the student's parent(s). The student has only accumulated 10.56 credits and needs 13.44 credits in one year to graduate on time.

If the student shows significant improvement during the next transcribed grading period and participates in a credit recovery program that puts the student back on track to graduate and the school wishes to resubmit this request at a future date, then eligibility would be reconsidered at that time.

Please feel free to contact me if I can be of further assistance in this regard.

You have a right to appeal my decision to the OSAA Executive Board. If you would like to schedule an appeal, please forward a written request to the OSAA office. As per OSAA Executive Board Policy "Eligibility Appeal Filing Fee", there is a non-refundable \$100.00 filing fee to defray the costs of the appeal.

Sincerely,
