Hi Robbyn,

I appreciate the opportunity your family is giving me to live in U.S.A. for a year

I have decided to come to Portland as an exchange student to learn English and to experience life in U.S.A.

I would like to go to Wilsonville high school because my brother and my cousin studied there 4 to 7 years ago and they told me that this school is very good.

I would like to play soccer and basketball, it is very important for me because I can learn English and make new friends as well as play two sports that I love.

In Italy my school does not have sport programs.
