

August 20th 2015,

Dennis Lehninger missed the last few weeks of school last year due to family circumstances. Dennis has been living with his Mother in Vancouver Washington since last May. Due to health challenges and family issues Heidi Leonard has requested that Dennis stay in my care. Dennis will be living with us full time here in Wilsonville and will resume his studies at Wilsonville High School. Dennis would like to play football this fall and will continue to resolve any missing school work from last year.

Please contact me with any questions,

Thank you,
