

To Whom it May Concern,

My name is Heidi Leonard and I am Dennis Lehninger's mother. Towards the end of last school year, Dennis and his father got into a argument and his father threw Dennis out. Dennis then came to stay with me in Vancouver WA. This month I am being evicted from my apartment and I am not sure where I will end up living. Dennis is currently in the care of Monica Keegan. I have been in contact with Monica and she is working with us to help keep Dennis in school and in football as well. I really don't want Dennis to fall through the cracks and end up running the streets. I'd like him to be able to finish highschool and play football so he has as much of a normal and productive life as possible. Please don't punish Dennis for these unfortunate circumstances. Dennis is an amazing person and he deserves to have a good life, please help us make this possible for Dennis. If you have anymore questions, please contact me at 360-606-3603. Thank you.
