Dear John:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8-1 (Grade Deficiency). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to support the claim that the academic deficiency is primarily due to circumstances beyond the control of the student, the student's parents, or both.

Conditions of this eligibility shall be weekly monitoring by the school of the student's grades and the student must pass ALL classes each week for the remainder of this semester. The student must also complete his credit recovery plan to graduate in June 2016. If at any time the student falls below this OSAA eligibility standard, eligibility will be automatically revoked for the remainder of the semester. Eligibility can be restored for the next semester if this student is meeting the OSAA requirement at the end of this semester.

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,
